TO WHOM IT MAY CONCERN

I am writing this letter on behalf of Alex Zerbe, the entertainer who performs as ZANIAC.

On April 11, 2015, Alex Performed for us, here in Great Falls. As a traditional concert organization we have never, in 85 years, brought in a show like this. We knew we were taking a chance, especially considering the age of our audience. As it turned out, we sold twice as many adult tickets as we did youth, and he was a smash hit.

The show was wonderfully accepted by the entire audience, from the youngest to the eldest. His show is extremely fast paced and engages the entire audience, from start to finish. He is not only a talented physical performer but his continual banter and engagement with his audience is terrific.

Alex was exceedingly easy to work with, providing everything he promised for a great show.

I recommend him highly. I can't imagine any audience of any age not enjoying his performance.

Sincerely yours,

To Whom It May Concern:

I am writing this letter of recommendation for Alex Zerbe who performed during our 2014-15 Big Sky Concert Series for the Northeastern Arts Network. During his week tour with our organization, Alex performed four evening concerts and engaged in ten school outreach/assembly programs for our communities in and around Sidney, Glasgow and Malta, Montana.

Our organization was extremely pleased with the performances and outreaches Mr. Zerbe conducted during his tour. Alex was a pleasure to work with and he was very accommodating to the needs of our many different ages of school children and the hectic schedule that our tour demanded of him. We received many praises from the school teachers who attended the outreach performances because of Alex's ability to enlighten and involve these children with his amazing physical stunts and comedy. We have even had two new schools ask for our programs because the administrators heard about the wonderful assemblies Alex performed on our tour! Our evening concerts were highly successful in attendance with Alex's amazing talent and rapport with our audiences.

I highly recommend Alex Zerbe "The Zaniac" as a disciplined artist and performer. Northeastern Arts Network would definitely consider hiring Alex again for our school outreaches and evening performances.

Sincerely,

Jill Hill, President

To whom it may concern :

The sound of laughter recently filled our elementary school cafeteria and our middle school gym. “Professional Zaniac” Alex Zerbe performed his school assembly in Hot Springs County School District, Thermopolis, Wyoming and while laughter filled the room some important lessons were stressed. Firstly, how important it is to read. Closely followed by “failure is not permanent” which encourages students to persevere. Volunteers left the stage to cheers from their peers and many questions were answered.

The sound of laughter then filled our auditorium when citizens ranging from babies to retirement home residents came out to enjoy an evening comedy show. Approximately 5% of Hot Springs County residents were in attendance, which is a huge turnout, and some folk came from neighboring counties. None were disappointed. Again Alex thrilled the audience with his unusual skills, his friendly nature and his professionalism. Volunteers left the stage to thunderous applause and everyone left the auditorium smiling.

It was a real treat to have Alex Zerbe work in our schools and community. Not only were his performances thoroughly enjoyed but he was a pleasure to work with.

I would be happy to provide more information.
