- Bruce Marshall - Pacific Coast Congress of Harbor Masters

"Finally, the highlight of the evening was Alex Zerbe. Not satisfied with being either a juggler or a comedian, Mr. Zerbe decided to be both. His skill with the Chinese yo-yo was phenomenal, and the jokes he cracked put me in danger of choking. In his second act, Mr. Zerbe kept three hats moving across his body in time with some very complex music. Rarely have I seen such an example of physical grace. I'd watch the [Teatro ZinZanni] show again in a heartbeat just to see his bits."
